The hieroglyph for her name originally used meant (female) of flesh, i.e. mortal, and she may simply have represented deified, real, queens. The most commonly used name for this deity, Isis, is a Greek corruption of the Egyptian name; and its pronunciation as 'eye-sis' is a further corruption by English speakers.

Welcome to the world of Black Hallows on this bitterly cold night, the wind is howling outside "The Boar's Head" tavern, the horses are restless in the stables, and a figure moves in the shadows...is it friend or foe? The Townsfolk are sleeping soundly in their beds, unaware of the danger that may be creeping towards them. The clouds race across the sky, and the wind continues to howl.
