NCQA convened a learning collaborative in 2016 to help develop an innovative method to report HEDIS measures using data from electronic clinical data systems (ECDS). We piloted this method with a set of measures for depression care.

HEDIS Learning Collaborative - NCQA

Organizations operating EMSs (Environmental Management Systems) faced significant changes mandated by the release of the updated ISO 14001:2015 standard. The latest version of the standard set out significant requirements for how your organization handles outsourced suppliers and services, and some of those requirements aren't obvious at first glance.
