Tip: If the series has an order, add a number or other descriptor in parenthesis after the series title (eg., "Chronicles of Prydain (book 1)"). By default, it sorts by the number, or alphabetically if there is no number. If you want to force a particular order, use the | character to divide the number and the descriptor.

The rude tone of voice he was using to speak to the young girl behind the counter, like she was beneath him, was rubbing me the wrong way. Anyone with half a brain knew you didn't give attitude to the person who served you. Not unless you wanted to find something in your drink that didn't belong there.
