There are two different communities of Chinese people in India with separate origins and settlement. One is of immigrants from China and Indian-born people of Chinese ancestry and the other is of expatriate Chinese living in India for terms of usually 2-3 years.. The immigrant community started centuries ago and became more prominent in the late 18th century with arrivals working at the ...

I echo the sentiments of @racefortheironthrone here on ideal numbers of sons and daughters: there is no one ideal, because such a number would be entirely dependent on the circumstances of the family in question. For a family like House Lannister, having a large number of children is no problem at all: even lesser sons, sons of lesser sons, and female-line descendants can find a place at the ...

Footnotes. xxxii:\* The actual meaning of these terms, as applied to the "Seven Ancient Arabic Prize Poems," is, however, a vexed question among modern European Arabists. The current interpretations, that these Poems were entitled Mu'allaqāt (in the singular, Mu'allāqa), either because they were suspended on the Ka'ba, or because each of the so-called Poems consists of fragments or short ...
