Children's literature or juvenile literature includes stories, books, magazines, and poems that are enjoyed by children. Modern children's literature is classified in two different ways: genre or the intended age of the reader. Children's literature can be traced to stories and songs, part of a wider oral tradition, that adults shared with children before publishing existed.

Children's literature - Wikipedia

With enough study, one can learn that there are other explanations for that which many hold so near and dear as predictions of things that will happen "shortly" in the future.
