Birthday Letters is a very unusual, perhaps unique collection of poetry. It was written over a period of at least 25 years. During that period its subject – his relationship with Sylvia Plath – had been the theme of five biographies of Plath, most of them hostile to Ted Hughes, and of her own writing, directly in her journals and indirectly in her poetry.

Amazon Review. Ted Hughes's Birthday Letters--88 tantalising responses to Sylvia Plath and the furies she left behind--emerge from an echo chamber of art and memory, rage and representation. In the decades following his wife's suicide in 1963, Hughes kept silent, a stance many have seen as guilty, few as dignified.
