#### Celtic blessings and prayers, old and new - Faith & Worship

Prayer is an invocation or act that seeks to activate a rapport with an object of worship through deliberate communication. In the narrow sense, the term refers to an act of supplication or intercession directed towards a deity (a god), or a deified ancestor. More generally, prayer can also have the purpose of thanksgiving or praise, and in comparative religion is closely associated with more ...

In the practice of Christianity, canonical hours mark the divisions of the day in terms of periods of fixed prayer at regular intervals. A book of hours normally contains a version of, or selection from, such prayers. [citation needed]The practice of daily prayers grew from the Jewish practice of reciting prayers at set times of the day known as zmanim: for example, in the Acts of the Apostles
