I was excited to see a new book by Terry Bolryder. I love all the dragon series. This one is a little different. We saw a little of the Crimson Club in the Nightmare Dragon series. There were no dragons in this story, except for a brief mention. Max is a very cool character. He is the main bouncer for Club Crimson, and just seems apart from it all.

5 Stars isn't enough. Terry Bolryder, as a author, is my favorite in bear paranormal. I will read anything that's written. The stories are great, just enough drama and romance and very well written. Most of all you're not left hanging. Everyone should try but always start with the 1st book in a series.
