Winners of the Strata Data Awards 2019. The Strata Data Award is given to the most disruptive startup, the most innovative industry technology, the most impactful data science project, and the most notable open source contribution.

### Ideas - O'Reilly Media
Title. The title Monty Python's Flying Circus was partly the result of the group's reputation at the BBC.Michael Mills, the BBC's Head of Comedy, wanted their name to include the word "circus" because the BBC referred to the six members wandering around the building as a circus, in particular, "Baron Von Took's Circus", after Barry Took, who had brought them to the BBC.
